

### **English Language Arts: American Reading Company (ARC)**

ARC Core® is a K–8 high-quality curriculum, available in English & Spanish, and is designed to accelerate learning, dramatically improving outcomes for both students and teachers. The instructional materials and professional learning services underwent a thorough review process by a national team of experts from EdReports and Rivet Education. ARC Core is backed by research, additional independent state reviews, and implementation results across the country.

### **Math: i-Ready Math**

i-Ready Mathematics is a custom digital and paper math curriculum that provides students of all ages with differentiated instruction and supports them on their individual paths to success. Backed by cutting-edge research on best mathematics learning practices, students gain experience through concrete examples and engaging lessons. This personalized math curriculum features responsive instruction that provides consistent insight into student understanding and performance, enabling teachers to monitor their students' progress and help them prepare for standards-based assessments and beyond.

**Science STEMscopes K-8:** STEMscopes believes the most important strategy schools can use to significantly increase student learning is the quality of instruction. Students flourish when teachers deeply understand the content, best teaching practices, and the use of available instructional resources.

### **Social Studies McGraw Hill K-5: IMPACT Social Studies**

Student-centered, written to the C3 Framework, grounded in inquiry, and aimed at developing responsible, active citizens.

### **Social Studies McGraw Hill 6th Grade: Geography and Global Issues**

Our deeply connected world is constantly in flux. Give students the opportunity to discover and experience it via an interdisciplinary approach to geography, population, culture, the environment, and the economy grounded in rich human stories and perspectives.

### **Social Studies McGraw Hill 7th Grade: World History Middle School Social Studies**

Empower students to make vital connections between the past and present with a flexible curriculum that facilitates choice and remains current with regular content updates. Inspire students to experience history through multiple lenses and inquiry as they learn to practice civil discourse on their way to becoming future-ready citizens.

## **Social Studies McGraw Hill 8th Grade: United States History**

Link past to present to help students make sense of their nation and world through the lens of history. This inquiry-based curriculum incorporates current events to spark informed action and empowers students to recognize how history relates to them.

### **Social-Emotional Learning: Second Step**

**Intervention Hour:** Embedded within the school day is a 45-60 minutes of structured invention time for students to receive support. Intervention hour takes place every school day. Students are placed in small groups and instructed by teachers that will differentiate instruction based on their individual needs.
